BRBIAR

Bharat Record Book of Innovative Action Research

Empowering Communities through Sustainable Initiatives

Welcome to BRBIAR Inspiring Change & Transforming Lives

The Joint Project of APEX SDG and Dyuti Foundation, BRBIAR presents a unique opportunity for individuals to contribute to sustainable development through innovative action research. Explore 100 themes and be part of a nationwide movement for positive change.

BRBIAR

Introduction

About BRBIAR

Education must lead to Social Transformation rather Social Reproduction.

Academic Institutions and Faculty Members are the frontline performers in the **Journey towards Transformation**.

Bharat Record Book of Innovative Action Research (BRBIAR), edited by APEX SDG IEIS and Dyuthi Foundation, is a pioneering initiative that invites common individuals to undertake action research on 100 impactful themes. This compilation aims to showcase the power of grassroots innovation in addressing real-world challenges.

BRBIAR

Unleash Your Potential

Explore 100 Themes, Pick one, Ignite Change

Embark on a transformative journey by selecting a theme that resonates with you. Each theme is designed to be approachable and impactful, empowering researchers to make a difference in just 40-45 days. The possibilities are endless; choose a theme and contribute to the sustainable development of our nation.

BRBIAR

The Research Process

Submit Your Action Research

- **Choose a Theme:**
  Select a theme from the broad list of 100.
- **Conduct Research:**
  Engage in action research for 40-45 days.
- **Submit Research Paper:**
  Showcase your findings and contribute to the BRBIAR compilation.
- **Assessment Charges:**
  Rs. 900/- Rs. 2,400/- for submission and publication.

BRBIAR

Themes at a Glance

Explore the Possibilities

Each theme is designed to be approachable and impactful, allowing researchers to work on them for 40-45 days and submit a research paper:

Select a Theme for Action Research

1 Backyard Farming for Self-Sustainability
2 Zero-Waste Living in Urban Areas
3 Promoting Healthy Eating Habits in Schools
4 Community-Led Waste Recycling Programs
5 Digital Literacy for Senior Citizens
6 Affordable and Eco-Friendly Home Construction
7 Revitalizing Local Markets and Street Vendors
8 Rainwater Harvesting in Residential Areas
9 Promoting Bicycles for Sustainable Commuting
